

DRINKS

PLEASE INFORM YOUR SERVER OF ANY ALLERGIES OR INTOLERANCES OR DIETARY REQUIREMENTS AT THE TIME OF ORDERING.

We would ask that you do this every time you eat with us, even if you have eaten the dish before as dishes can change. However, due to the layout and operation of our kitchens and the fact that food is freshly made by hand, we do not have specific allergen-free zones and it is not possible to fully guarantee separation of allergens. If you would like ingredient information about the food and drink served, please ask the staff who will be happy to help.

Everything is organic, unless marked *. Wild ingredients that can't be classified as organic are always sourced considerately and sustainably. Adults need around 2000kcal a day. Coffee calorie information based on whole milk, unless stated otherwise. Please ask your server for more calorie information on other types of milk. We aim for zero waste and reduce, reuse, recycle and compost everything we can. Our plastic-free biodegradable straws are made from wheat stalks and may contain traces of gluten. The discretionary service charge of 12.5% is shared between the staff serving you.
